

## Siloam helping to provide better homes for impoverished families in Comas – Peru

Project:  
076

This sprawling shanty town emanates from Comas, reaches up the steep barren slopes where houses are constructed on whatever flat ground can be dug out of the hillside. Even here, people have to pay a kind of 'Council Tax' for the few amenities which are provided by the local authority!

Families struggle to survive on bleak hillsides outside Peru's capital city.

Sometimes these dwellings are little more than caves in the hillsides.

*Please turn over to see how you can help – thank you*

This home was provided by Siloam supporter Mr Allen Hornsby who wanted to bless a deserving family in Peru. Could you honour a departed 'loved one' by donating the cost of a new home in their name?

It is indeed humbling to meet these families and witness their great need but by helping them in this practical way, we can spread God's love to those who never thought anyone cared about them, in another part of the world.

*Gifts of £50, £25, £10 even £5 when accumulated together can be used to provide a fully furnished house for the next deserving family. Total cost just £2,500.*
