Shalom, Dear Siloam friends and investors

We trust you are all well and coping with the 'Coronavirus' pandemic in your own way.

We have recently received a report from Haim Barak of the 'Love to the Needy' organisation that Siloam supports in Israel. I am sharing the text of his letter with you for prayer and future support if the Lord prompts you.

This winter we have special reasons to rejoice. In December we learnt of an urgent need for a home for street women in Tel Aviv who desired to begin a new life in Christ. Now, a little over a month later, the home is no longer a need but indeed a reality. We write with hearts full of thanks to each of you whose contributions and prayers made it happen. (Actually, Siloam was able to forward an emergency gift of £700 back in December 2020).

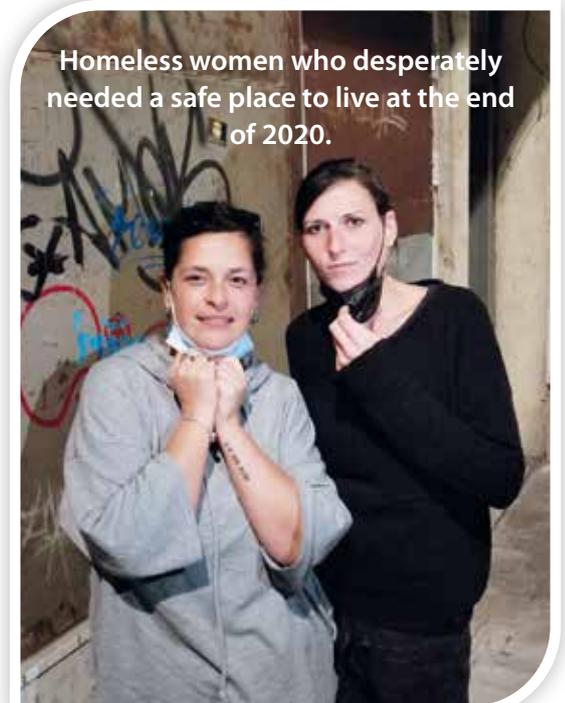

The women's home is located in the Haifa area near the centre of the Israel Chai ministry where these women attend Bible school and have a congregation to encourage them and support them as they begin new lives of peace and hope. We convey to you their message of gratitude.

Israel has just recently been released from its third 'lockdown' and as you may have heard in the secular news Israel's vaccination programme has been very successful.

Since the 'Coronavirus' pandemic began, we have been able to distribute 175 Bibles to people and congregations in need of them, from cities near the Lebanon border in the North, to the Negev Desert in the South. Please

Rejoice. We now have a home for street women in Tel Aviv who desire to begin a new life in Christ.

Finally, we are so pleased to have added three new outreaches to our regular deliveries of food and clothing. One is in Arad, one is near Tel Aviv and one is actually in Tel Aviv itself. See the lady in the photo below right from the Branch of Comfort ministry in Tel Aviv. They serve the poor Ethiopian Jews, Holocaust survivors, refugees, and other Israelis in need in their community.

Thank you so much for supporting so we can bring help and hope to people in need in Israel.

With our love and appreciation,

P.S. Through these challenging times, when issues arise, it's imperative that we are careful not to judge one another but rather love one another in utmost humility, esteeming others more highly than ourselves and preserving the bond of unity by which all men will know that we are the disciples of the One who laid down His life for us. – Haim & Cheryl.

As a Siloam supporter, you can support 'Love to the Needy' – Israel by designating your gift this month to project: 050. Please request a 'gift aid' declaration form to make your gift go even further if you haven't already done so. Last year, Siloam supporters contributed £11,751 to 'Love to the Needy' ministry in Israel for which we praise God. In the early months of 2021, £1,361 has also been forwarded to Haim Barak.

You made this possible – thank you.
